

'Sing With Us!' Christmas 2016

1. Don't Worry About Me - Frances
2. Hallelujah - Leonard Cohen
3. Just The Way You Are - Bruno Mars
4. When Doves Cry - Prince
5. Zombie - The Cranberries

Don't worry about me - Frances

I'll feel the fear for you, I'll cry your tears for you
I'll do anything I can to make you comfortable
Even if I fall down when you're not around
Don't worry about me, don't worry about me

Cause if I fall, you'll fall
And if I rise, we'll rise together
When I smile, you'll smile
And don't worry about me, don't worry about me

I'll feel the fear for you, I'll cry your tears for you
I'll do anything I can to make you comfortable
Even if I fall down when you're not around
Don't worry about me, don't worry about me

I'll climb the hills you face, I'll do this in your place
I'd do anything to go through it instead of you
But even if I fall down when you're not around
Don't worry about me, don't worry about me

Cause if I fall, you'll fall
And if I rise, we rise together
When I smile, you'll smile
And don't worry about me, don't worry about me

Cause if I fall, you'll fall
And if I rise, we rise together
When I smile, you'll smile
And don't worry about me, don't worry about me

Cause if I fall, you'll fall
And if I rise, we'll rise together
When I smile, you'll smile
And don't worry about me, don't worry about me
Don't worry about me, don't worry about me

Hallelujah - Leonard Cohen

I heard there was a secret chord
that David played and it pleased the Lord
But you don't really care for music, do you?
Well it goes like this:
The fourth, the fifth,
The minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah...

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah...

Maybe there's a God above
all I've ever learned from love
Was how to shoot somebody who outdrew you
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah

Just The Way You Are - Bruno Mars

Together:

Aaaaaaaaah- ah- ah- ah ...

Men:

Oh her eyes, her eyes
Make the stars look like they're not shining
Her hair, her hair
Falls perfectly without her trying
She's so beautiful
And I tell her every day

Yeah I know I know
When I compliment her
She won't believe me
And it's so, it's so
Sad to think that she don't see what I see
But every time she asks me "Do I look okay?" I'll say

Together:

When I see your face
There's not a thing that I would change
Cause you're amazing
Just the way you are

And when you smile
The whole world stops and stares for a while
Cause hey you're amazing
Just the way you are

Women:

His lips, his lips
I could kiss them all day if he'd let me
His laugh, his laugh
He hates but I think it's so sexy
He's so beautiful
And I tell him everyday

Oh you know you know you know
I never ask you to change
If perfect's what you're searching for
Then just stay the same
So, don't even bother asking, If you look okay. You know I'll say

Together:

When I see your face
There's not a thing that I would change
Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
Cause hey you're amazing
Just the way you are

Men:

The way you aaaaaare

Women:

The way you aaaaaa -aaaaare

Together:

Hey you're amazing
Just the way you are

Together:

When I see your face
There's not a thing that I would change
Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
Cause hey you're amazing
Just the way you are

When Doves Cry - Prince

Dig if you will the picture
Of you and I engaged in a kiss
The sweat of your body covers me
Can you my darling
Can you picture this?

Dream if you can a courtyard
An ocean of violets in bloom
Animals strike curious poses
They feel the heat
The heat between me and you

How can you just leave me standing?
Alone in a world that's so cold?
Maybe I'm just too demanding
Maybe I'm just like my father, too bold
Maybe you're just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

Touch if you will my stomach
Feel how it trembles inside
You've got the butterflies all tied up
Don't make me chase you
Even doves have pride

How can you just leave me standing?
Alone in a world that's so cold?
Maybe I'm just too demanding
Maybe I'm just like my father, too bold
Maybe you're just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

How can you just leave me standing?
Alone in a world that's so cold?
Maybe I'm just too demanding
Maybe I'm just like my father, too bold
Maybe you're just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

Zombie - The Cranberries

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken

But you see, it's not me
It's not my family
In your head, in your head
They are fighting
With their tanks and their bombs
And their bombs and their guns
In your head, in your head
They are cryin'

In your head, in your head
Zombie, zombie, zombie, hey, hey
What's in your head, in your head
Zombie, zombie, zombie
Hey, hey, hey, oh

Women:

Dou, dou, dou, dou
Dou, dou, dou, dou
Dou, dou, dou, dou
Dou, dou, dou, dou

Another mother's breakin'
Heart is taking over
When the violence causes silence
We must be mistaken

It's the same old theme since nineteen-sixteen
In your head,
In your head they're still fightin'
With their tanks and their bombs
And their bombs and their guns
In your head, in your head they are dyin'

In your head, in your head
Zombie, zombie, zombie, hey, hey
What's in your head, in your head
Zombie, zombie, zombie, hey, hey, hey
Oh, oh, oh, oh, oh, oh, oh
Hey-ey, oh, ya, ya-a
